Re: Jon M. Miller
Application No. 09/280,279
Filing Date: 03/29/99

To Whom It May Concern:

Given that Mr. Miller's former patent attorney allowed the above-referenced patent application to go abandoned, Mr. Miller wishes to petition to revive same. Unfortunately, Mr. Miller has been unable to obtain the patent prosecution file from his former attorney. Consequently, I request that you forward copies of the contents of the applicable file as soon as practicable in order to comply with the rules governing patent application revivals.

Also enclosed please find Form 12-7 – Associate Power of Attorney – appointing Ms. Clare Cox as associate attorney for this prosecution. The above-referenced documents may, of course, be sent to her directly.

Should you have any questions, please feel free to contact me.

Very truly yours,

LYNCH, COX, GILMAN & MAHAN, P.S.C.

Donald L. Cox
